## CAR PROGRAM

Ruen invested and continues investing in the development of new products. Analyzing the market needs and taking into consideration the clients wishes, we have largely developed the range of the passenger program.

Today our offer includes clutch pressures plates, clutch friction discs and kits for various models of Audi, Chevrolet, Citroen, Dacia, Daewoo, Fiat, Ford, Hyundai, Lada, Mercedes, Opel, Peugeot, Renault, Seat, Skoda, Suzuki, Volkswagen, Zastava and other.

As our scope is to adapt our production even more to the market requirements and to satisfy a larger range of clients, our team of designers develops permanently new models in accordance with the market needs and the highest standards of the automotive industry.
